

Module Components

This product consists of several components. Please choose their configuration.

 <p>IEe38/34/1,5</p> <p>Battery-powered internal vibrator for connection to the battery-converter backpack ACBe, for maximum freedom of movement on the construction site.</p> <p>Item Number 5100049759</p>	 <p>IEe38/34/3</p> <p>Battery-powered internal vibrator for connection to the battery-converter backpack ACBe, for maximum freedom of movement on the construction site.</p> <p>Item Number 5100049830</p>
 <p>IEe38/34/5</p> <p>Battery-powered internal vibrator for connecting to the battery-converter backpack ACBe, for maximum freedom of movement on the construction site.</p> <p>Item Number 5100052661</p>	 <p>IEe45/34/1,5</p> <p>Battery-powered internal vibrator for connection to the battery-converter backpack ACBe, for maximum freedom of movement on the construction site.</p> <p>Item Number 5100049831</p>
 <p>IEe45/34/3</p> <p>Battery-powered internal vibrator for connection to the battery-converter backpack ACBe, for maximum freedom of movement on the construction site.</p> <p>Item Number 5100049832</p>	 <p>IEe45/34/5</p> <p>Battery-powered internal vibrator for connection to the battery-converter backpack ACBe, for maximum freedom of movement on the construction site.</p> <p>Item Number 5100052662</p>
 <p>IEe58/34/1,5</p> <p>Battery-powered internal vibrator for connection to the battery-converter backpack ACBe, for maximum freedom of movement on the construction site.</p> <p>Item Number 5100049833</p>	 <p>IEe58/34/3</p> <p>Battery-powered internal vibrator for connection to the battery-converter backpack ACBe, for maximum freedom of movement on the construction site.</p> <p>Item Number 5100049834</p>
 <p>IEe58/34/5</p> <p>Battery-powered internal vibrator for connection to the battery-converter backpack ACBe, for maximum freedom of movement on the construction site.</p> <p>Item Number 5100052663</p>	 <p>BOX1</p> <p>The BOB series batteries are optimally protected against damage and contamination in the sturdy transport box BOX1, which also makes them easy to transport and store. Due to its ergonomic design, the box is comfortable to carry.</p> <p>Item Number 5100069478</p>
 <p>BOB5</p> <p>Lithium-ion battery with 504 Wh energy content, ideal for all portable applications.</p> <p>Item Number 5100069471</p>	 <p>BOC7</p> <p>Standard charger for lithium ion batteries.</p> <p>Item Number 5100069474</p>
 <p>BOC13</p> <p>Fast-charger integrated in the Systainer transport box.</p> <p>Item Number 5100069476</p>	 <p>BOC7 US</p> <p>Standard charger for lithium ion batteries.</p> <p>Item Number 5100069475</p>
 <p>BOC13 US</p> <p>Fast-charger integrated in the Systainer transport box.</p> <p>Item Number 5100069477</p>
